Join us and together we can make a real difference. #JohnDorysCares

We have made eradicating single-use plastic takeaway items a priority in our business. #NoToPlastic

As an alternative to palm oil for frying, we use locally sourced sunflower oil.

With our help, Phiko, the loggerhead sea turtle hatchling, made a remarkable recovery and was successfully released back into the ocean.

We are actively involved with beach clean-up programmes around South Africa, doing our part to keep our oceans and waterways plastic-free.

Committed to a sustainable future for all – by educating, supporting, and funding positive endeavours to preserve our planet's resources.
